INFORMATION REPORT INFORMATION REPORT

CENTRAL INTELLIGENCE AGENCY

This material contains information affecting the National Defense of the United States within the meaning of the Espionage Laws, Title 18, U.S.C. Secs. 793 and 794, the transmission or revelation of which in any manner to an unauthorized person is prohibited by law.

SECRET /NOFORN

50X1-HUM

COUNTRY	East Germany	REPORT	
SUBJECT	Long -Range Chemical Export Plan, 1956-1960 <i>production, export, planned production, planned export</i>	DATE DISTR.	7 FEB 1958
		NO. PAGES	8
		REQUIREMENT	
		NO.	RD
DATE OF INFO.		REFERENCES	
PLACE & DATE ACQ.			50X1-HUM

SOURCE EVALUATIONS ARE DEFINITIVE. APPRAISAL OF CONTENT IS TENTATIVE. 50X1-HUM

- The attached table East German Ministry of Chemical Industry shows the amounts and value of chemical products actually exported by East Germany in 1956, the figures expected to be achieved in 1957, the plan for 1958, and the suggested figures for 1959 and 1960. The table also shows what portion of actual, expected, or planned total production these export figures amount to, from which total production figures may be calculated.
- The column headings for the report follow :
 - Product
 - Unit of measurement
 - Actual export in 1956
 - Percentage of actual 1956 production exported
 - Expected 1957 export
 - Percentage of expected 1957 production expected to be exported.
 - Planned 1958 export
 - Percentage of planned 1958 production planned to be exported.
 - Suggested 1959 export
 - Percentage of 1959 production represented by I
 - Suggested 1960 export
 - Percentage of 1960 production represented by K
- The first line gives the quantity for each item, the second line gives the value. All values are expressed in 1,000 rubles. For the last four items, value only is given.
